ZONE 5

LIGHT FOR LIFE
Ready

"LIGHT FOR LIFE" es un sistema de luz de seguridad exclusivo de los cascos HEBO ZONE5, dicho sistema está integrado en los cascos Hebo ZONE 5, por lo que solo habrá que adquirir el equipo necesario para activarlo, ya que la pre instalación ya viene de serie en los cascos.

Puedes escoger entre dos opciones.

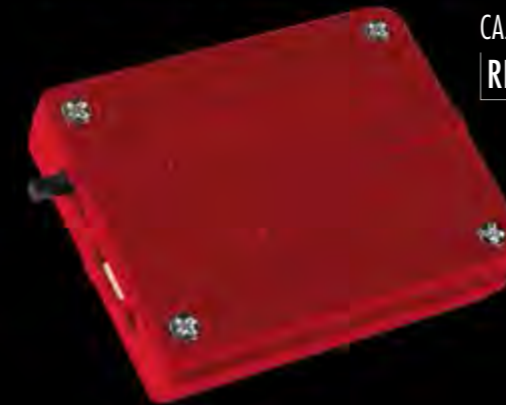

1. LUZ TRASERA FIJA / CAJA ELECTRONICA LIGHT FOR LIFE. Activando esta posición en la caja electrónica obtendrás una segunda luz de posición.
2. LUZ DE FRENO/ CAJA ELECTRONICA LIGHT FOR LIFE + CAJA EMISORA. Con la posición de luz de freno y acoplando una caja emisora a tu moto dispondrás de una segunda luz de freno, que se activará a la vez que la luz de freno de tu moto.

"LIGHT FOR LIFE" is a safety-light system exclusive on HEBO ZONE 5 helmets. The receptacle for the system is standard, integrated and pre-installed on this Hebo helmet model, so you simply have to purchase the additional necessary pieces to activate the system.

You can choose between two options.

1. FIXED REAR LIGHT / ELECTRONIC BOX "LIGHT FOR LIFE". Activating this switch in the electronic box will give you a second rear light, the one in the helmet.
2. BRAKE LIGHT / ELECTRONIC BOX "LIGHT FOR LIFE" + TRANSMITTER BOX. With the switch position set for the brake light and by attaching a transmitter box to your bike, this offers a second brake light, which is activated simultaneously with the brake light on your bike.
